Diva in the Boardroom

This surprise performance features one or more divine divas who will seduce your board and dining room guests with their golden voices, theatricality and flirtatious humour. Designed to create a magical and moving impact the diva/s may be sitting as one of your dinner guests or enter the room (in diva character or as a guest) and burst into song at the designated moment. From one song to a short feature set the diva will create a unique, magical and memorable experience. The performance may include customised lyrics and special tributes to departing board members, fussing over a Chairman or CEO, serenading of key clients, celebration of the launch or completion of a major project, merger or acquisition, a birthday or other special occasion.

Repertoire may include arias and duets from Opera to Broadway (and your special request) including songs from Shirley Bassey (Big Spender), Edith Piaf (La Vie en Rose), Andrea Bocelli (Time to Say Goodbye), Bizet (Habanera from Carmen), Phantom of the Opera, Puccini (O Mio Babbino Caro, Nessun Dorma etc), Mozart, Verdi, Bernstein, Gershwin and the beautiful Flower Duet from Lakme. Don't miss this beautiful, interactive and entertaining new act for all sorts of important meetings where some classy seduction is in order!

What a brilliant impact your performance had. Stunning voice and the interaction with our key VIP guests was perfect.
