**Macquarie Financial Services**

*"Thank you...you certainly gave the group energy, but more importantly you provided them with tangible ideas and new techniques..."*

**Eli Lilly**

*"Your show was absolutely fantastic and I know everybody felt the same because 10 days after the event everyone was still talking about it and e-mailing me so... I would say you were a definite hit! I can say that I don't think I have laughed so much in my life and the way you pick the ideal people to help with your act is pure genius and I'm smiling as I type this e-mail. On the Sunday at Terrigal over breakfast I think it had to be the funniest because everyone was talking about his or her favourite scene and this had us all literally crying with laughter all over again. You certainly made my job of organising a conference look easy and everyone said it was the best conference ever and your act had a huge part to play in that."*

**Xerox**

*"Excellent. Prior to Explosive Minds presenting to us, the audience had been involved in a demanding two-day partner retreat and needed a high-energy, upbeat form of entertainment to counter the hard work of the days. Explosive Minds aptly provided that entertainment, with just the right balance of dynamic impromptu comedy and audience participation."*

**KPMG**

*"I found their act to be refreshing and unpredictable. They were great as an icebreaker, disarming and relaxing our audience and with each appearance I was assured of spontaneity and laughter."*

**Results Plus**

*"Explosive Minds were excellent. They were highly entertaining and full of energy, they are very talented and I would definitely use them again and recommend them to other clients."*

**Eventscape**

*"They were simply fantastic! They worked solidly for an hour and a half and the delegates loved them. Definitely we would have them again ..... they are outstanding in their field "*

**NESA**

*"For those that don't think that improv comedy would work for your group, YOU ARE WRONG. They involved our large delegates into their act and I couldn't have asked for a better response from an entertainment act. Explosive Minds will take your mind and place an atom bomb in it and set it off, but then come back and rebuild you and then do it all again. From the set up to the pull down, I couldn't have asked for a better bunch of people to have as our "Awards" dinner entertainment. I would highly recommend this group to anyone."*

**Dick Smith Electronics**

*"Explosive Minds did a great job. Very funny & the right amount of audience participation for the crowd. We would certainly recommend them to others. Good duration as well."*

**Suncorp General Insurance**

*“Tremendous close to Day 1. Got everyone involved and laughing continuously .... a real highlight.”*

**Goldwell**

*“The EM team created a brilliantly funny environment that set in place a very relaxed atmosphere for the remainder of the day. A Conference highlight and a unique style of entertainment.”*

**OAMPS Insurance Brokers**

*“They were fabulous! Worked a very hard room and had the usually stern faces in tears of laughter. Thank you, you helped to complete the success of our event!”*

**ACTA- Destination SA**

*“Excellent. We had an excellent line up of business speakers, but Explosive Minds added that bit of fun. None of the audience knew what to expect, but they thoroughly enjoyed being entertained and going slightly out of their comfort zone! It was lively, funny and very entertaining.”*

**Department of Trade and Economic Development**

*“Excellent!*

*We were very happy with the performance of Explosive Minds on Saturday, everyone talked about it all for the rest of the day.”*
