been delayed rehearsing Opera in the Outback.

She is due here any minute to thrill you with the incredible talent that has kept her at the top of her operatic career for all these years. The divas scale the high 'C's with their riotous interpretations of operatic arias (apologies to Mr Bizet and Julie Andrews) and when joined by Dame Anna not even the Bee Gees are safe!

CLIENT FEEDBACK

"Ladies, your performance was 'ABSOLUTLEY FABULOUS' to put it conservatively. Your involvement in this years' event was a highlight, and here at head office we received rave reviews."

Traveland Australia

"Both of you girls are 'ABSOLUTELY FANTASTIC!' I had heard how good you were – but you were even better than I had expected."

Mercury Records

"Thankyou so much for providing such spectacular entertainment. The feedback has been excellent, and we look forward to being able to engage your services again in the future."

Meadow Leas Foods

"Excellent. Terrific Entertainers."

John Danks

"Excellent. Leave it to Diva set the scene for a great breakfast full of fun. We were delighted with the contribution to the breakfast."

MCI International

"Excellent. Knocked the socks of 120 sales staff, especially with the inclusion of company details into their songs, received 3 encores and a standing ovation."

Polarity

"I'm telling all my friends about your act and I hope you get so much work you have to knock it back! You have really studied your UK sisters very well and you both bear the most uncanny resemblances.....Your script was extremely funny and very witty and the delivery and timing of the jokes was spot on.... I can't believe I haven't heard of you before now, though if you are busy on the Corporate circuit as you seem to be then that could be why."

Retravision

"I thought you were great – exactly what we were looking for – bright, funny, intelligent and above all very professional. I was very impressed in the lead up to the event with your willingness to talk all the details through and ensure that our needs were met. Everything went like clockwork on the night and we could not have wished for more. Your costumes were great and I think your routine on stage was excellent."

Australian Corporate Lawyers Association

"I would like to take a moment to personally thank you Jules, for your wonderful contribution, hard work and great effort. Without your help we would not have enjoyed the enormous success that we have."

Eventures – for Caltex

"The evening's guests...were treated to a wonderfully authentic, funny and impressive rendition by the actors of 'Patsy and Eddie' from the famous sitcom 'Absolutely Fabulous'. At all times the actors ensured our guests comfort and yet surprised and delighted guests by their 'naughty but nice' Ab Fab antics during the course of their performance. Since then, our client BP Exploration and their guests, haven't stopped talking about the evening, in particular the professional and yet exciting interaction, which was created between the Ab Fab actors and the guests. We would

highly recommend these actors for this performance and any other acts that they may perform to any future event planners and function organizers.”

Special Event Organiser for BP Exploration

“The girls were a tremendous success. Having them as MC’s was wonderful, instead of the usual presentation of awards seeming to take forever, the evening went so quickly. They had researched the event prior to the date and everyone was most impressed by their professionalism. We were delighted to have them as entertainers and would be most happy to recommend “Absolutely Essential” at any time.”

Nursery Industry Association of NSW Limited

“The song that you wrote about Minter Ellison was very, very good. I was not expecting anything like that and was very impressed and delighted. I will be sure to recommend you to anyone else looking for a fun and different idea for corporate training.”
