# Homer Papantonio

The Corporate Impostor, Homer Papantonio is widely acclaimed as Australia's premier comic speechmaker. Since hoaxing over five hundred bearded Zoo Directors at an International Zoological Conference in 1989...to delivering the opening keynote at Microsoft's Company Kick Off in place of Bill Gates.... to more recently being proclaimed as NASA's Director of Surface Operations for the 2015 Mars mission at the Australasian Geological Symposium. . . Homer has successfully created over one thousand unique comic characters across Australia as well as on over 20 international tours . . . Each character meticulously tailored for his audiences.

## The Corporate Impostor:

- \* Delivers presentations as a unique character created specifically for your event under the guise of an overseas industry expert or guru.
- \* Targets the key issues of any profession / organisation as well as addressing the central theme of an event to educate, entertain and inspire
- \* Undertakes comprehensive briefing with the client & extensive research with meticulous attention to detail to develop each keynote / character...Often spanning several months of research, writing and re-writing until the performance date.
- \* Each keynote / character creation is accompanied with a tailored Power Point Presentation which includes the company/client logo to reinforce the badging of the event.
- \* Engaging the Corporate Impostor at your next conference, special event or product launch is virtually guaranteed to be a success as well as the highlight of your entire event. Independent post performance client evaluations on Homer's last 1000 engagements over a decade shows he has a 99% Excellent rating across the diverse client range
