# BRIAN FITZGERALD BAND

It is with good reason that the Brian Fitzgerald Band has become one of Australia's busiest and most popular party bands.

Individually and collectively the four members have an incredible wealth of experience, (cabaret, concert and television both in Australia and overseas), but it is the band's ability to pack a dance floor that keeps it so much in demand.

With brilliant harmonies, the four singers (two female and two male) are able to provide pleasant mellow music that allows for dinner conversation. Then when it's time to "let it rip" they are equally able to belt out the raunchiest rock n'roll.

Because the group's repertoire extends from the big-band hits of Glen Miller era right through to electro-pop hits of the 90's it can adapt to practically any audience.

Over the years the Brian Fitzgerald Band has happily entertained a huge number of clients including:

BHP	MLC
Hawthorn Football Club	Speeds
National Mutual	Eagle Life
Smorgons	Coles Myer
Aust Dental Association	Young Presidents Organisation
Singapore Airlines	Linfox
Ford Motor Co.	Toyota
Pharmacy Guild	Ansett Airlines Executives
Australian Airlines	AMP
Shell Australia	A.V. Jennings

*"The evening was a huge success largely in part due to the Brian Fitzgerald Band. Our age group ranges from the very young to the very old and they catered for all tastes so much so that Dancing began during the background music segment and continued throughout the evening. It also worked well with having the two younger girls as well as the older guys hence giving everyone a comfortable and enjoyable atmosphere throughout the night where everyone could relate to this band. WELL DONE!!!!"*

**Grand Pacific Tours**

*"Excellent. Perfect for our requirements – every number was a winner. Our audience ranged from 18 to 80 and everyone had a ball."*

### **Gener8**
