Gotham City Horns

Sydney's Hippest Horn Band

One of the slickest and most seamless performances that you're ever likely to see anywhere, Gotham City Horns is a big, bold, brassy nine piece band with a lineup that features a funky four piece rhythm section of drums, bass, guitar and keyboards backing a dynamic combination of male & female lead vocalists complimented by a blistering 3 piece horn section.

Gotham City Horns can also double as a backing band for featured artists like Rhonda Burchmore, James Belushi, Frank Bennet, Donnie Ray Evans and Barry Crocker

Live play ons and play off 'stings' for Awards nights, TV and presentation ceremonies, Corporate theme songs or anthems.

Gotham City Horns change the mood during the course of an evening, by breaking down into various configurations from solo piano or piano / vocalist to a jazz trio or a funky quintet.

For themes as varied as Star wars / Millennium to Beach party, Prohibition to Carnival, Jungle to Renaissance, Roman to Batman Gotham City Horns can accommodate almost anything with their slick, stylish and classy presentation.

Not restricted to any genre of music, Gotham City Horns is a tight, high energy, funk & soul outfit that can go from Rock to Retro, Ballroom to Big Band and Contemporary to Classics.
