PLASTIQUE

Hold on for the roller coaster ride of your life!

PLASTIQUE, Australia's hottest new dance/funk sensation has arrived, taking you on a journey through the classic 60's funk era, the disco ball hits of the 70's, those retro 80's favourites right up to the hottest top 40 contemporary groove, soul, latin and dance hits of today and into the new millennium.

PLASTIQUE'S sound has been painstakingly recreated to produce as close to CD quality as possible, with its contemporary style proving they are the "FRESHEST" band in town.

This six-piece sensation features three powerful vocalists with a history including television performances, acting, and touring with national and international artists both here and abroad.

Australia Post

“Excellent. What a sensational band! Everyone loved them and really hoped they would play longer. The dance floor was full the whole time they played. Plastique are a very professional outfit and I hope I can use them again.”

Greyhound Racing Victoria

“Plastique were the perfect band for our function. . With 230 people ranging in age from 17yrs – 67yrs I thought it would be a bit hard to please everyone but Plastique had the dance floor pumping all night. Music certainly makes or breaks a party and Plastique definitely made our night the success it was.”
