# THE FAB FOUR

The impact these young men had with music, fashion, and new studio sounds on their generation has never been equalled. Even though The Beatles are no longer together today, their music is still alive for past generations and future generations.

THE FAB FOUR Beatles show has been able to capture the excitement and energy of the Beatles with an authenticity never experienced before. THE FAB FOUR's show takes the audience on a trip back in time to remember once again the fashion, the music and the hairstyles.

The part of the almost two hour show has you reminiscing with tunes such as "I WANNA HOLD YOUR HAND," "SHE LOVES YOU," "I FEEL FINE," and "HELP", in typical early sixties attire.

The second part of the show sees a costume change featuring all collarless Beatles jackets and has you singing and dancing with songs like "LOVE ME DO," "ALL MY LOVIN," "I SAW HER STANDING THERE," and "TWIST AND SHOUT."

The finale of the show features yet another change in costume and an unplugged segue of your favourite ballads including "NOWEGIAN WOOD", "NO-WHERE MAN", "YESTERDAY", and "HEY JUDE", building up to the finish the show with more tunes from the hippy era such as "GET BACK," "BACK IN THE U.S.S.R.," and "REVOLUTION", and lets not forget "SERGEANT PEPPERS".

At a time when nostalgia is in every ones mind and the return of the Beatles is imminent, THE FAB FOUR Beatles Show stands out as the perfect choice for any occasion. Be it on the concert stage, corporate functions or live television this self-contained show has become widely accepted and requested by all age groups.

In My Life	

## CLIENT FEEDBACK

*"The Fab Four looked the part, sang in great harmony, tuned in to the mood of the room and were extremely obliging and easy to deal with. The whole place was up and dancing, and those that weren't could still hold a conversation without screaming at each other. An ideal corporate act."*
