Gemini Brothers

Thier names are Daniel and Jacek Gutzmit and are identical twin brothers who perform in a hand balancing duo act.

They were born and raised in Poland and it was in their home town of Swidnica where they began to train in handstands and acrobatics. However, they now reside in Melbourne, Australia.

During their competitive years in sports acrobatics they achieved Gold, Silver and Bronze placings in European and World Championships. They now have over 17 years of experience in sports acrobatics and handstand acrobatics performing.

With their handstand balancing act they have had the opportunity to work in countries through out the world including Canada, Australia, United States of America, Singapore, Hong Kong, Japan, Germany, Netherlands and Spain.

Their longest contract, so far, has been with **CIRQUE DU SOLEIL** in their production of "**Saltimbanco**". This was from 1998 until June 2002. Over that time they performed their hand balancing act 10 times per week (for most of that time) plus at moments they were required to perform their handstand act on television and for private promotions in order to promote the show.
