MARY DWYER

PASSIONATE, ALIVE, MOTIVATIONAL, INSPIRING CHANGE AGENT

Mary Dwyer, bright, alive, passionate, motivating, outstanding. If you want an outstanding speaker for your conference, if you want your people to feel positively different after attending your event, if you want to be able to look around and see people increase their commitment to success before your very eyes, if you want to hear them say that they feel 'fired up' then invite Mary Dwyer to your next conference.

Mary is the Principal of Mary Dwyer Impact Solutions; a training and professional enhancement organisation with a focus on strategies for success, motivation, leadership and change.

Mary has an absolute passion and belief in peoples' ability to change what they need to change to become who they really want to be. Her love of life and people means she has studied human relations for the past 15 years to bring you human change technologies that are easy, and work! Her address is not only inspiring but practical with specific strategies for hypermotivation and change.

You will experience Mary's commitment to helping people discover their true worth and passion for living. Mary believes that everyone can improve their life and working environment if they are shown how!

The skills that Mary teaches are definable. What this means to you is a presentation of excellence. Mary has a boundless energy to help your delegates succeed. At the end of her presentation you will share Mary's enthusiasm and commitment to the strategies that will benefit you and your company.

Mary is described as having 'excellent skills in staff management, motivation and business organisation, a woman of uncommon ability, a highly skilled communicator.'

Mary is a certified Master Practitioner of Neuro Linguistic Programming and Hypnotherapy. She is currently working towards a Doctorate of Hypnotherapy.

Keynote Topics Include:

- * The Power of Values
- * Living Leadership
- * The Psychology of Success
- * Motivation Magic Day After Day – A 10 point Plan
- * The Competitive Edge
