SAM NEWMAN

Sam Newman was a flash footballer that had the talent to back-up his charisma. His long blond locks captured the public's imagination. He had great class, style and his skill was legendary.

Now as a media commentator, not just on sport but life in general, Sam is renowned as one of the bluntest commentators in the business. With the same fearlessness he showed as a player, Sam goes into the verbal packs with the "shoulder down" and "give it everything" approach.

Sam Newman is a colourful character that has a presence and lustre by simply being himself. Sam has an amusing raconteur style and a personality that charms with his down-to-earth honesty.

Sam can now be seen regularly as key panelist on Channel Nine's smash-hit "The Footy Show".

CLIENT FEEDBACK

"Excellent. 'Sam's' luncheon attracted a "sellout" crowd at our conference. Nobody wanted him to stop talking!! He was the right person for the audience. Big problem for me – how can I 'top' Sam for the next conference?"

Institute of Chartered Accountants of Australia

"Sam was a very entertaining speaker and I have received many compliments on having him there. I was impressed by the way that he did stay after his talk to sign autographs and talk to our attendees individually. One of the other presenters that we had, left straight away, after failing to take photos with some of the delegates as promised to them, so I was very impressed with Sam."
